

MID MICHIGAN WASTE AUTHORITY - 2023

You have bi-weekly recycling. Please put your recyclables out by 7:00 a.m. on your normal collection day. The service day for trash is highlighted in **blue** and the service day for trash and recycling is highlighted in **green** below. Observed holidays are marked in **purple**. Collection will be delayed one day for that day and the following service days for the rest of that week.

Spaulding Township

Please put **ONLY** the below materials into the curbside recycling container. Keep them clean, empty, dry, and loose. Residents have unlimited recycling collection. Please use a can (rigid plastic container with handles) up to 45 gallon in size labeled with a "Recyclables Only" sticker OR an 18-gallon bin. For stickers, visit your city, township, or village office or call MMWA at (989) 781-9555.

TRASH

NON-RECYCLABLE, NON-HAZARDOUS MATERIALS

- Residents should have their trash out by 7:00 am on their regular collection day.
- If your properly prepared materials were out within the proper timeframe but not picked up, please leave them out until they are serviced.
- Report all missed collections on your service day or before 5:00 pm the next business day by calling MMWA. Each resident has a one business day window to report a missed pick-up.
- Trash bags or containers that contain contamination such as yard waste will not be collected. If you see an orange sticker, it probably means your materials are improperly prepared.
- Do not use bleach, ammonia, cayenne pepper, or other substances on your trash to keep animals away. This creates a safety hazard for the driver, and your materials may not be collected.
- Do not put your trash to the curb in wagons, cages, trailers, or other non-standard receptacles. This is a safety and liability issue.
- Place trash and bulk away from your mailbox, parked cars, poles, or low hanging limbs.
- Holidays that fall on weekdays cause collection to be delayed one day for that day and the following service days for the rest of that week. MMWA observes the following holidays: New Year's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day, and Christmas Day.
- Each member community determines the level of services their residents receive. Visit your community's page on our website at www.recyclemotion.org

**New in 2023 will be the implementation of "carts" (rolling trash and recycling containers). We anticipate cart delivery in mid 2023. Until then, you should continue placing your trash, bulk, and recycling at the curb just as you do right now.*

Communities serviced by Waste Management should use trash bags up to 55 gallons in size or cans (rigid plastic container with handles) between 20-35 gallons in size. Contents should weigh less than 50 pounds.

BULKY WASTE

MMWA residents are allowed up to two bulk items per week. Bulk items should be placed at the curb, along with your other properly prepared materials, no later than 7:00 am on your regular collection day. MMWA does not schedule bulk pick-up in advance. The trash driver is responsible for collecting your properly prepared bulk item or getting it scheduled for pick up. If the truck is full, or the driver is not able to collect the item by himself, the driver should be placing an orange sticker on the material marking the box that reads item pick up scheduled do NOT remove from the curb. The bulk truck runs 1-2 business days behind the regular trash truck.
